**Importance:** High

ARAs

Happy Friday. We sent this earlier to the regional comptrollers so I am sending this to you as a FYI. The attached instruction/guidance outlines the proper charging and tracking of payroll, contracts, and travel resources associated with the response to the Gold King Mine Release. While this may only currently affect some of you, I thought I would share with all of you as some of your regional staff may be traveling to assist.

Thanks,

Nigel
